

ECOLE SECONDAIRE SALMON ARM SECONDARY

Home of the Jewels & Golds

SAS Athletics Sponsorship Request

This year, **over 200** students will participate as a Gold or Jewel on one or more of our 15+ extra-curricular teams at Salmon Arm Secondary (SAS). Our student-athletes contribute to our school culture, and represent our community with pride, respect, and excellence. They benefit greatly from the varied experiences and character development opportunities afforded by school sports.

Each year, the costs associated with running an inclusive and extensive school sports program continues to increase, and we have more and more students struggling to afford participating on a team. Depending on the sport, player fees range from \$40 to over \$400+.

We are hopeful local firms, businesses, and corporations will consider providing financial assistance toward one or more of our school sports teams to allow us to reduce the overall costs for students. Cheques are payable to **Salmon Arm Secondary** with *"the sports team"* indicated on the front of the cheque (*i.e. Boys Basketball... or Girls Volleyball*). Tax receipts can be issued upon request for amounts over \$25.

SPONSORSHIP LEVELS

Gold \$1000

- recognition plaque & team photo provided to company or individual
- banner, sign, or sandwich board displayed at home games and/or tournaments
- company or individual's name listed on home game roster sheet and/or tournament program
- company or individual's name listed on SAS athletics website

Silver \$500

- company or individual's name listed on home game roster sheet and/or tournament program
- company or individual's name listed on SAS athletics website

Bronze \$250

- company or individual's name listed on SAS athletics website

Your generous support will help to reduce the financial burden for our student-athletes.

With appreciation,

Rob Cadden
Principal
