

**Salmon Arm Secondary (SAS) PAC Meeting
April 14 2026, 7:05pm**

Attendance: Scott Hutchison (chair), Kayla Vannieuwenhuizen (secretary), Melissa Parmenter (treasurer), Ellen Gonella **Staff present:** Rob Cadden (Principal), Krys Hryniw (Vice President), Marianne VanBuskirik (SD83 Trustee)

Meeting called to order 7:06 PM

Introductions

Unable to adopt minutes due to no quorum.

Treasurer Report

General Account - has been moved to be used as an e-transfer account for Dry Grad, so the balance is quite high: \$14,476.56. Actual PAC Funds, minus funds owed to SAS and fundraising companies: \$1,274.24.

Gaming Account - Have not sent school the gaming grant funds for this school year yet (\$12,780). The balance as of April 14th, \$14,463.91.

Last year the treasurer sent \$12,000 to the school, but all the funds did not get spent. So, from last year there is \$2,140 of Gaming Grant funds still sitting in the SAS accounts.

We are agreeing to add a maximizer account for the general funds to gain some interest on the \$1,274.24.

A short discussion was had about the gaming grant funds as there was an extra amount carried over from last year, but has been sitting in the school account and not the PAC account. Rob Cadden agreed that the school can either send the funds back to the PAC or when paying out for the 2025/2026 school year, we will subtract that \$2,140 from the total that was voted on and approved.

Message from the (Vice) Principal - Krys Hryniw (VP)

- See appendix for full report

VP Krys Hryniw: Monday May 4th 4:00pm-5:00pm - invite PAC's, school trustees, student voice, school leadership, SD83 Knowledge Keeper, etc. to the school to discuss a new project that has been set in motion by Krys Dallas Molnar and Chelsey Hill, in communication with Krys Hryniw, renaming wellness centre, indigenous room, fish bowl meeting room. Ideas will be shared, as well as the process of the renaming of the 3 areas. After the meeting, in May and June a Knowledge Keeper will come and observe the areas and in September a new name will be announced. The funding for this project is via grant from the Quelmucw Education Council.

With the reconfiguration coming, other items will also be needing to be renamed etc so this is a start of a very likely long process.

Dry Grad Update

Business as usual - all Leads are planning and organizing. Fundraising is continuing and the 50/50 and front lawn signs were emailed out today.

New Business

By laws will be shared no later than April 28th via email

Marianne VanBuskirk - last board meeting information was shared via email and is available to those who may want it. Marianne recognized how hard reconfiguration has been on families, students, and staff. She has seen much excitement, too, and acknowledges that it is very tricky for many things and appreciates everyone's efforts.

Meeting adjourned at 8:37pm

1. Pathway to Graduation: Capstones (early graduates)

- Tuesday, Wednesday and Thursday this week
- The majority of grade 12's complete this in May

Capstone Project 12

The purpose of the capstone is for students to demonstrate the knowledge, competencies, and passion(s) they can offer the world, as they integrate personal interests and strengths with preferred future possibilities. It is a representation of the student's learning journey and provides an opportunity to reflect and synthesize as well as showcase and celebrate. There will be both designated times throughout the year, as well as choice for students to complete their Capstone.

Early Graduates

This table represents the number of grade 12 students graduating early.

e.g. taking the second semester 'off' or finishing high school after their grade 11 year.

	TOTALS	
	Total Number	% of Gr. 12 Students
2023-22	34 of 296	11%
2022-23	40 of 328	15%
2023-24	57 of 318	18%
2024-25	48 of 373	14%

Class calculated on only each school year

2. Pathway to Graduation: Provincial Graduation Assessments

- "They provide a snapshot of student performance in key areas and, over time, can help to monitor key outcomes of B.C.'s education system. B.C.'s provincial assessments remain rigorous and based on learning standards to evaluate student achievement, Core Competencies, and literacy and numeracy skills." - BC Ministry of Education and Childcare
- Numeracy 10, Literacy 10, Literacy 12 and French Immersion Oral/Written 12

The Grade 12 Literacy Assessment assesses students' ability to use critical and reflective thinking and analysis to make meaning from a diverse array of texts. It also assesses the ability of students to communicate their ideas, or those found in the texts.

The Grade 12 Literacy assessment is not based on a particular subject matter or course, but rather on learning across multiple subjects from kindergarten to Grade 12.

The Grade 10 Numeracy Assessment focuses on the application of mathematical concepts learned across multiple subjects from kindergarten to Grade 10. It requires students to solve problems by using five numeracy processes (different ways of thinking and working): interpret, apply, solve, analyze and communicate.
